DETAILED ACTION

Allowable Subject Matter

1. Claims 1 and 17 are allowed.
2. The following is an examiner's statement of reasons for allowance: As to claims 1 and 17, the prior art of record does not teach nor render obvious the overall claimed combination of a liner that extends from a toe extension to a leg engaging portion of an AFO/contracture foot splint device; said liner having a leg pocket and a toe pocket, where said leg pocket fits onto the leg engaging portion and said toe pocket fits onto said toe extension portion. Therefore, the invention defined in claims 1 and 17 is novel. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record on form PTO-892 and not relied upon shows orthopedic splints with possible lining materials.
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Shumaya B. Ali** whose telephone number is **571-272-6088**. The examiner can normally be reached on M-F 8:30 am-4: 30 pm.
